INTRODUCTION

Bismillahir Rahmaanir Rahim

All praise is due to **Allah** تعالى.

Peace and Salutations be upon Nabi Muhammad صلى الله عليه وسلم.

Alhamdulillah, Madrasah Anwaarul Islam has – after much effort-gathered the Al-Anwaar Maktab syllabus for the benefit of our younger generation.

Sound Islamic education is imperative for every Muslim; young and old.

In this day and age, we are all faced with innumerable challenges. One of the most potent weapons for a Muslim is his Islamic education.

This syllabus was prepared after inspecting the needs of the modern day Muslim child, keeping in mind the limited time and very short tension span available.

After consulting various curriculums and reliable ‘Ulamaa, we present to you the current syllabus.

It is our Dua that **Allah** تعالى accepts this humble effort towards building good Muslim homes, and the perfect Islamic society.

May **Allah** تعالى reward all those who contributed in any way to this endeavor. Aameen

STORY: WORSHIP ALLAH تعالى ALONE

The people in the time of Ibrahim عليه السلام used to worship idols, one day Ibrahim عليه السلام decided to teach his people that there is only One Allah تعالى. So he went to speak to the idols. He spoke to them but they could not answer. When it became dark he saw a star and he said “This is my Rabb”, when the day light came and the stars could not be seen, Ibrahim عليه السلام said that I do not love things which disappear.

He then looked at the moon and said, “This is my Rabb”. When the moon also disappeared, Ibrahim عليه السلام said “If my Rabb did not guide me I would have been amongst the people gone astray.

Ibrahim عليه السلام started thinking again. He did not sleep that night when he saw the sun rising he said, “This is my Rabb. This is greater”. Then when the night came and the sun disappeared.

Ibrahim عليه السلام said, “O my people, I am indeed free from all that you worship besides Allah تعالى.

Ibrahim عليه السلام knew that his Rabb was the one who created the sun, moon, stars and all people.

WEEK 5

STORY: ALLAH تعالى ALONE KNOWS EVERYTHING

Allah تعالى gave Sulaymaan عليه السلام great powers. Allah تعالى gave him control of the wind. He could order it to carry him to a faraway place and return him in the blink of an eye. He understood the language of the birds, the insects, the Jinn and humans. Allah تعالى made all the creation obey him. The Jinn used to dive to the bottom of the sea and bring back the treasures of the sea to him. Some of them used to build palaces and pulpits for him. They all joined in building Baitul-Muqaddas.

One day Sulaymaan عليه السلام ordered the Jinn to build a big palace for him. Sulaymaan عليه السلام sat on his chair and leaned against his staff watching them. He made Dua to Allah تعالى, “Oh Allah تعالى make the Jinn blind to my death, so that the humans will know that the Jinn do not know the unseen”.

Then Allah تعالى caused Sulaymaan عليه السلام to pass away, but whenever the jinn looked at Sulaymaan عليه السلام they saw him watching them, and they continued building and did not realise that Allah تعالى had given death to Sulaymaan عليه السلام while he was leaning against his staff.

Only when termites ate his staff, it fell and Sulaymaan عليه السلام also fell, then only did the Jinn realise that he passed away. Then the humans also realised that No one besides Allah تعالى knows the unseen.

One day they made a plan to separate Yusuf عليه السلام from their father so that their father will love them more than him. So they made a plan and said to their father “O father! Send Yusuf عليه السلام with us tomorrow to the field and play, we will take good care of him. Yaqoob عليه السلام was very worried to send little Yusuf عليه السلام with them but he agreed.

They took him far away from home and decided to throw him into a well. They threw Yusuf عليه السلام in the well and he landed on the dry bottom of the well. He was a brave boy and did not cry.

The next Friday an elderly woman came to the Imaam and told him I also made Dua for Abu Abdullah Hakim رحمه الله عليه and I saw Nabi صلى الله عليه وسلم in a dream saying to me to tell Abu Abdullah رحمه الله عليه to provide water for the benefit of the Muslims. So the Imaam gave this message to Abu Abdullah رحمه الله عليه.
